To Whom It May Concern:

Orangefield Water Supply Corp. customers are requested to voluntarily limit the irrigation of landscaped areas to Sundays and Thursdays for customers with a street address ending in an even number (0, 2, 4, 6 or 8), and Saturdays and Wednesdays for water customers with a street address ending in an odd number (1, 3, 5, 7 or 9). They are also asked to irrigate landscapes only between the hours of midnight and 10 a.m. and 8 p.m. to midnight on the designated watering days. This is voluntary and implemented as a cautionary measure due to the extended drought conditions in the region.

This is being asked of the customers of Orangefield Water Supply Corp. as a precautionary measure to ensure that we have adequate supplies of water for domestic use and fire protection.

And remember, all of Orange County is under a "Burn Ban" at this time.
